How To Be Parisian brilliantly deconstructs the French woman's views on culture, fashion and attitude. Bohemian free-thinkers and iconoclasts, Anne Berest, Caroline De Maigret, Audrey Diwan and Sophie Mas cut through the myths in this gorgeous, witty guide to Parisienne savoir faire. These modern Parisiennes say what you don't expect to hear, just the way you want to hear it. They are not against smoking in bed, and all for art, politics and culture, making everything look easy, and going against the grain. They will take you on a first date, to a party and through a hangover. They will tell you how to be mysterious and sensual, make your boyfriend jealous, the right way to approach weddings and the gym, and they will share their address book in Paris for where to go at the end of the night, for a birthday, for a smart date, for vintage finds and much more. Full of wit and self-deprecating humour, How To Be Parisian explains those confusing subjects of clothes, makeup, men, culture and lifestyle as only a true Parisienne can. Take a life-changing journey with a fashion insider through the neighborhoods of Paris—and become the most glamorous girl in town (without even trying). After spending much of her life mining the secrets of La Parisienne, Angie has discovered there are as many ways to be Parisian as there are arrondissements. Find out what Saint Germain women wear, where Canal Saint Martin girls shop and hang out with their friends, the décor tricks of the artistic ladies in Montmartre, and how to cook and entertain—as if you just rolled out of bed and onto the cobblestone streets of Le Marais... Featuring hundreds of stunning photographs and original fashion illustrations, as well as fabulous tips from celebrities, fashion designers, bloggers, chefs, and more! The author of the bestselling French Women Don't Get Fat shares the secrets and strategies of aging with attitude, joy, and no surgery. With her signature blend of wit, no-nonsense advice, and storytelling flair, Mireille Guiliano returns with a delightful, encouraging take on beauty and aging for our times. For anyone who has ever spent the equivalent of a mortgage payment on anti-aging lotions or procedures, dressed inappropriate for their age, gained a little too much in the middle, or accidentally forgot how to flirt, here is a proactive way to stay looking and feeling great, without resorting to "the knife"-a French woman's most guarded beauty secrets revealed for the benefit of us all! The million copy, ultimate #1 bestseller that is changing the way Americans eat and live Don't Diet Eat Chocolate Drink Wine Take Long Walks Enjoy Life Stay Slim the French way Experience the joie de vivre of French Women Don't Get Fat by Mireille Guiliano From the bestselling authors of How to be Parisian—"a book to read late at night in one go and then buy for your girlfriends" (Vogue UK) about what smart, savvy, fabulous women think, feel, and advise about growing older. Older, but Better, but Older has the playful wit, self deprecation and worldly advice we have come to expect from these bestselling authors, but now that advice is focused on the French woman's mindset as she hurtles towards forty. Caroline de Maigret and Sophie Mas are back to amuse you with how they find they are modifying their favorite bad-girl behavior as they address beauty, love, seduction as well as lifestyle, family, work, and living alone. They are still bohemian iconoclasts saying what you don't expect to hear. They will tell you things aren't what they used to be--when a thirty-year-old guy arrives at a party

and does not even glance at you; when you wake up feeling great and everyone tells you how tired you look; you know you're an adult when you're excited just to go home. Neuroses vs. confidence, resistance vs. acceptance, passion vs. serenity, de Maigret and Mas through spirited short stories capture the different stages of ageing--as nostalgic but modern Parisian women. From the privately absurd to the strangely universal, this book captures moments of everyday life that will make the reader nod, cringe, and laugh out loud. NEW YORK TIMES BESTSELLER • "The guardian of all style" (The New York Times Magazine) shares stories on life, love, style, and career, from Paris to New York, and inspires readers to cultivate an effortless chic that is all their own. Garance Doré, the voice and vision behind her eponymous blog, has captivated millions of readers worldwide with her fresh and appealing approach to style through storytelling. This gorgeously illustrated book takes readers on a unique narrative journey that blends Garance's inimitable photography and illustrations with the candid, hard-won wisdom drawn from her life and her travels. Infused with her Left Bank sensibility, the eclecticism of her adopted city of New York, and the wild, passionate spirit of her native Corsica, Love Style Life is a backstage pass behind fashion's frontlines, peppered with French-girl-next-door wit and advice on everything from mixing J.Crew with Chanel, to falling in love, to pursuing a life and career that is the perfect reflection of you. Praise for Garance Doré and Love Style Life "The most elegant, funny, truthful book on style, love and life. Garance is an original with the cutest French accent."—Jenna Lyons, president and creative director, J.Crew "This charming book by fashion blogger Doré is part memoir and part style guide, gathered together in a chic, Gallic-inflected package."—Publishers Weekly "One of blogdom's most compelling storytellers."—The New York Times "Doré's mix of portrait photography, illustrations, collages, and stream-of-consciousness writing . . . has given the fashion world en masse a girl crush."—Interview "Garance Doré embodies effortless French style."—Martha Stewart Living 'Even if you don't find yourself booking a one-way Eurostar ticket to the capital like Marissa, this book might just be the key to finally nailing that elusive Parisian je ne sais quoi.' Penny Goldstone, Fashion Editor, Marie Claire 'A delightful, down-to-earth guide . . . complete with insider fashion tips, beauty tricks and dating advice from Marissa's own personal experience, plus interviews with many modern iterations of the ever-elusive Parisienne herself.' Monica de La Villardière, journalist and co-founder of the Fashion No Filter podcast To be Parisian is to have a certain attitude and outlook on life. In Practising Parisienne, British journalist and blogger Marissa Cox decodes this seemingly nebulous je ne sais quoi, explaining what she has learned since moving to France eight years ago, and how and why the reader can and should adopt a more Parisian lifestyle. She reveals how she learnt to live her best life in this iconic city, what it means to be Parisian and in turn inspire you to make positive changes in your own lives, however big or small. Covering everything from style, fashion, beauty and wellbeing to chic interiors and food and wine, as well as advice about dating and friendship, each section also contains interviews with well-known Parisians and Francophiles who inspire us to live better. Because, as we know, Paris is ALWAYS a good idea. 'Practising Parisienne is a celebration of the City of Lights and an ode to the pleasures in life. Marissa Cox effortlessly mixes practical tips, personal stories and inspiring conversations in this charming guide to living well the Parisian way.' Miranda York, author of At the Table and The Food Almanac 'With appreciation, honesty, a deep understanding and access to leading figures, Practising Parisienne reads like a who's who and what's what when it comes to everything Parisian.' Hannah Almassi, Editor in Chief, Who What Wear UK From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are

untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: *At the End of the Night*, for *A Birthday*, for *a Smart Date*, *A Hangover*, for *Vintage Finds* and much more. Bring a Parisian *je ne sais quoi* to your style, wherever you live. *Dress Like a Parisian* is a wise and witty guide to finding your personal style, taking inspiration from how real Parisian women dress. With personal stylist and fashion blogger Aloïs Guinut as your guide, you can explore which colors, shapes and styles work best for you, whatever the occasion. Aloïs reveals Parisian style secrets, rejects restrictive fashion rules and shares her favorite shops and brands, demonstrating how you can use fashion to enhance your personality rather than shaping your personality to fashion. In the words of the patron saint of Parisian women, Yves St. Laurent, 'fashions fade, style is eternal.' This book is illustrated with photography shot on the streets of Paris plus illustrations by acclaimed fashion illustrator, Judith van den Hoek, who has worked with Elle, Hermes, Vogue, Prada and Grazia. "For women who yearn to channel Audrey Tautou...but don't have a year to spend apprenticing with one in Paris" (The New York Times), Jennifer L. Scott's *Madame Chic* books—*Lessons from Madame Chic*, *At Home with Madame Chic*, and *Polish Your Poise with Madame Chic*—now collected in one beautiful package. As an American student living abroad, Jennifer L. Scott found a Parisian mentor in her host mother, Madame Chic, who instructed her in the fine art of living. Now, Jennifer shares her lessons in her *Madame Chic* series: *Lessons from Madame Chic*, *At Home with Madame Chic*, and *Polish Your Poise with Madame Chic*. Based on what she learned from Madame Chic, Jennifer explains how to cultivate old-fashioned sophistication while living an active, modern life, teaching us to take pleasure in everyday routines, to dress presentably, perform household tasks with cheer, and how to conduct oneself both in public and in private. The *Madame Chic* series encourages and inspires you to live simply and passionately, no matter your age, background, or location. Like Madame Chic, everyone deserves a little Parisian *je ne sais quoi*. "If the Internet could create its version of the perfect girl, Jeanne Damas would probably be her. . . . She's nailed that French girl *je ne sais quoi*." --Vogue A window on the world's most stylish city, with more than 100 full-color photos and profiles of 20 diverse and inspiring Parisian women, by "the coolest, most beautiful French girl in France" (GQ) and a former editor in chief of French Elle "We've always been crazy in love with this city. . . . We love its arrogance, its clumsiness, its simplicity. And especially the women who live here." Two quintessential Parisian women--model and fashion designer Jeanne Damas and journalist Lauren Bastide--shine a spotlight on twenty real-life women of Paris, dispelling the myth that there's only one type of Parisian woman and introducing us to the city that real Parisiennes live in. They're booksellers, singers, writers, activists, and antique dealers; they live in small studios, spacious apartments, or houseboats; their ages range from fourteen to seventy . . . and all embody the effortless chic and insouciant spirit of the legendary Parisian woman. In *Paris* takes us into these women's lives, telling us about their careers, families, favorite nightlife spots, shopping habits, and beloved books and films. Full-color photos taken by Jeanne herself accompany charming lists of advice on the French art de vivre--from the best places to people-watch with a glass of wine after work to the perfect Parisian playlist to the ten things that a French woman would never, ever post on Instagram. Witty, elegant, and modern, *In Paris* is an ode to Paris through the eyes of its eternally cool women--for everyone who has ever dreamed of one day living in Paris. "Into the blender go Anita Loos, Bridget Jones, *Sex and the City*, and *Clueless*; out comes a diabolically amusing concoction." — New York Times For readers who adore Candace Bushnell, Tinsely Mortimer, and Lauren Weisberger comes New York Times bestselling author Plum Sykes's sly and amusing satire—now back in print for its 10th anniversary in a gorgeous, eye-catching package, with a new foreword by the author. *Bergdorf Blondes* are a thing, you know, a New York craze. Absolutely everyone wants to be one, but it's très difficult. You wouldn't believe the dedication it takes to be a gorgeous, flaxen haired, dermatologically perfect New York girl with a life that's fabulous beyond belief.

Honestly, it requires a level of commitment comparable to, say, learning Hebrew or quitting cigarettes. But first, a little bit about moi. The gossips call me a champagne bubble of a girl. I'm fluent in French, intermittently. I gave up England for Princeton to my mother's horror. By day, I write articles for a fashion magazine. By night, I'm on the prowl for the ultimate accessory a Bergdorf Blonde must have: an impossibly rich man with a very large diamond ring. And of course, I'm fabulous. "Tramuta sweeps away the tired clichés of the Parisian woman with her vivid profiles of the dynamic and creative 'femmes' now powering the French capital." —Eleanor Beardsley, NPR Paris correspondent *The New Parisienne* focuses on one of the city's most prominent features, its women. Lifting the veil on the mythologized Parisian woman—white, lithe, ever fashionable—Lindsey Tramuta demystifies this oversimplified archetype and recasts the women of Paris as they truly are, in all their complexity. Featuring 50 activists, creators, educators, visionaries, and disruptors—like Leïla Slimani, Lauren Bastide, and Mayor Anne Hidalgo—the book reveals Paris as a blossoming cultural center of feminine power. Both the featured women and Tramuta herself offer up favorite destinations and women-owned businesses, including beloved shops, artistic venues, bistros, and more. *The New Parisienne* showcases "Parisianness" in all its multiplicity, highlighting those who are bucking tradition, making names for themselves, and transforming the city. "With stunning photographs and inspiring profiles, Lindsey Tramuta tramples the myths and takes us into the lives of real Parisiennes. Bravo!"—Pamela Druckerman, New York Times–bestselling author of *Bringing Up Bébé* "Like the subjects of her book, Lindsey Tramuta is a force. *The New Parisienne* is the go-to chronicle of the joyful, progressive, pioneering women of a city that Tramuta understands with deep intelligence." —Lauren Collins, New York Times–bestselling author of *When in French* "Tramuta's new book posits that Parisian women have been ahead of these radically changing times. But rather than being trendsetters in the stylish sense, they qualify as visionaries and agents of change across spheres of diversity, tech, culture, politics, and more." —Vogue When it comes to making the most of life, nobody does it better than the French. Now, with *Joie de Vivre: Simple French Style for Everyday Living*, an inspired fusion of art, style, and easy-to-implement ideas, anyone can feel like they spent a weekend in the French countryside, no matter where they live. Renowned restaurateur Robert Arbor puts a refreshing emphasis on simplicity and accessibility, explaining the rituals and traditions that comprise a typical French day. Featuring dozens of simple, everyday recipes, *Joie de Vivre* captures the family meals, market trips, and charming domestic settings that make the French way of life so pleasurable. In eight chapters, illustrated with 85 full-color and black-and-white photographs, Arbor details how you, too, can achieve the simplicity and relaxing life the French treasure. *Le Matin* (The Morning) lays out the elements of a relaxing breakfast (as well as the secret to great coffee), and *Le Potager* (The Garden) describes the pleasures and rewards of growing your own vegetables, herbs, and flowers. *Le Marché* (The Market) and *Le Déjeuner* (Lunchtime) follow Arbor to the market, the butcher, and the baker before serving up a trove of delicious ideas for light lunches and snacks. *Le Dîner* (Supper) outlines strategies for crafting cozy family dinners; creating enchanting dinner parties of all sizes; and preparing fun, simple meals for children. Arbor's memories and experiences of growing up in France and his flair for casual elegance can't help but inspire the chef and decorator in everyone. Sidebars sprinkled throughout the book offer tips and insights on how to make the perfect cup of hot chocolate, a French perspective on truffles and foie gras, the French and their love of chocolate, and why French butter tastes so good. *Joie de Vivre* is a lavishly illustrated guide to the French style of living that will show you how to bring a little joie to your life. "The sustainable fashion revolution has begun, and we must all be part of it." - Aloïs Guinut Stylish women everywhere are realizing the environmental damage of fast fashion and looking for new ways to dress that don't involve cramming their wardrobe with clothes that may never get worn. As Paris-based style-coach Aloïs Guinut explores in this invaluable book, French women have a lot to teach us about how to cherish the planet without sacrificing your style: - Know what works for you. - Buy less and buy better. - Mix vintage items with a few wisely chosen modern pieces. - Optimize your closet. - Look after what you have and make it last. - Seek out quality fabrics that don't poison the environment. The author of *Bonjour, Happiness!* offers a revealing foray into French femininity with beauty and style secrets from the women of Paris and beyond. French women seem to have a special knack for life's most important things—food, love, raising children. And in matters of beauty and style, they appear to be at an unfair advantage. But the truth is that French women are not born more attractive than anyone else—and

everything they know can be learned. French women learn at a young age how to feel beautiful, confident, and sexy, inside and out. It's an allure that outlasts youth—in fact, some of France's most celebrated women are femmes d'un certain âge. Growing up, Jamie Cat Callan had a French grand-mère to instruct her on style, grooming, and genuinely liking her reflection in the mirror. Now she shares that wisdom along with advice from other French women on fragrance, image consulting, makeup, and more. “This charming foray into French femininity will make a perfect cadeau for any Francophile lady.” —Publishers Weekly Ines de la Fressange, the iconic Parisienne, and Sophie Gachet, Paris's fashion authority, have a knack for sharing their personal style and beauty tips—gleaned from decades in the fashion industry—with humor and verve. They have fully updated this edition of their international best seller, with new photography featuring Ines in her signature looks, easy-to-recreate advice, and extensive addresses—in Paris and online—to source all you need for chic Parisian fashion, beauty, and interiors. From killer outfits to Parisian wardrobe essentials, or from her 10-minute beauty routine to her countdown to a perfect Parisian dinner party, this elegant volume is replete with inspiration à la Parisienne and is a must-have for any woman who wants to infuse her own style with the essence of Parisian chic. Sophia Amoruso, the bestselling author of #GIRLBOSS, shares her favorite tips, checklists, and fill-in-the-blanks that will help you become your best Girlboss yet. Filled with whimsical illustrations, exercises, and plenty of scribble room, The Girlboss Workbook is designed for both the dreamer and the doer. It invites you—hell, implores you—to get in there and mess it up a little. Write in the blank spaces and in between them. #GIRLBOSS started as Sophia's story, but The Girlboss Workbook is your story. Use it as a diary, a mood board, a stress ball. Use it in class or at work for daydreaming and doodling. Use it to figure out what makes your freak flag fly -- and then go for it. Whatever you do, take this book, and your path, into your own hands. No need to handle it with care and no need to live a typical, cookie-cutter life. Sophia's has been anything but. For any woman who last saw forty on her speedometer comes a sparkling new primer for aging—the French way—with grace and style. Frenchwomen of a certain age (over forty) are captivating and complex. They appear younger than their years and remain stylish throughout their lives. They look at birthdays as a celebration of a life well-lived and perhaps a good reason to go shopping before they dress to perfection for a celebration of another anniversaire. American-born journalist and blogger Tish Jett has lived among the French for years and has studied them and stalked them to learn their secrets. Exploring how their wardrobe, beauty, diet, and hair rituals evolve with time and how some aspects of their signature styles never change, Jett shows how Frenchwomen know their strengths, hide their weaknesses, and never talk about their fears, failures, or flaws. After all, in France, beauty, style, and charm have no expiration dates! How to Be a Parisian brilliantly deconstructs the French woman's views on culture, fashion and attitude. Unlike other books on French style, this illustrated handbook is full of wit and self deprecating humour. Authors Anne Berest, Audrey Diwan, Caroline De Maigret and Sophie Mas are bohemian free thinkers and iconoclasts, and they are not afraid to cut through some of the myths. They say what you don't expect to hear, just the way you want to hear it. They are not against smoking in bed, and all for art, politics and culture, making everything look easy, and going against the grain. NATIONAL BESTSELLER A missing person, a grieving family, a curious clue: a half-finished manuscript set in Paris Once a week, I chase men who are not my husband. . . . When eccentric novelist Robert Eady abruptly vanishes, he leaves behind his wife, Leah, their daughters, and, hidden in an unexpected spot, plane tickets to Paris. Hoping to uncover clues--and her husband--Leah sets off for France with her girls. Upon their arrival, she discovers an unfinished manuscript, one Robert had been writing without her knowledge . . . and that he had set in Paris. The Eady girls follow the path of the manuscript to a small, floundering English-language bookstore whose weary proprietor is eager to sell. Leah finds herself accepting the offer on the spot. As the family settles into their new Parisian life, they trace the literary paths of some beloved Parisian classics, including Madeline and The Red Balloon, hoping more clues arise. But a series of startling discoveries forces Leah to consider that she may not be ready for what solving this mystery might do to her family--and the Paris she thought she knew. Charming, haunting, and triumphant, Paris by the Book follows one woman's journey as she writes her own story, exploring the power of family and the magic that hides within the pages of a book. From the bestselling authors of How to be Parisian—"a book to read late at night in one go and then buy for your girlfriends" (Vogue UK) about what smart, savvy, fabulous women think, feel, and advise about growing older. This look book provides personal tips from Ines de la Fressange, the quintessential Parisienne, for concocting a stylish look for every situation, with nothing but her wardrobe essentials. Never again will you say "I have nothing to wear". The allure of the Frenchwoman—sexy, sophisticated, flirtatious, and glamorous—is legendary. More than an eye for fashion or a taste for elegance, the French *je ne sais quoi* embodies the essential ingredients for looking and feeling beautiful. With wit, whimsy, and wonder, British expatriate Helena Frith Powell uncovers the secrets of chic living in *All You Need to Be Impossibly French*, a cheeky guide to releasing your inner Frenchwoman. Delving deep into a mysterious realm of face creams, silk lingerie, and shopping-as-exercise, Powell reveals how French women stay impossibly thin and irresistibly sexy by achieving the maximum effect from the minimum amount of effort. Forget diet and inspiration books and style guides—this is all you need to embrace the wisdom of French living, and learn how to turn every day into a *petite aventure*. From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. Tory Burch sees the world in color, inspired by people, places, and ideas—all of which influence her brand, synonymous with print and color. In her first book, she explores what living in color means to her. The book is organized by color, each one brought to life through images of her own collections and travels; how she entertains; style icons; the works of artists, authors, and interior designers she admires; and the advice of business leaders—many of whom are interviewed within. The book also offers a glimpse into the more personal moments in Tory's life, such as family trips with her boys or the indelible ways in which her parents, Buddy and Reva Robinson, influenced her collection, company, and philosophy. The foreword is written by Anna Wintour, artistic director of Condé Nast and editor-in-chief of *Vogue*, and the cover features Damien Hirst's *Beautiful Primal Urges Rug*, © Damien Hirst and Science Ltd., all rights reserved / DACS, London / ARS, NY 2014. Join award-winning podcaster Oliver Gee on this laugh-out-loud journey through the streets of Paris. He tells of how five years in France have taught him how to order cheese, make a Parisian person smile, and convince anyone you can fake French (even if, like Oliver, you speak the language like an Australian cow). A fresh voice on the Paris scene, he shares the soaring highs and crushing lows that come with following your dreams to the French capital. He also befriends the city's too-cool-for-school basketballers, chases runaway crocodiles, and goes on a mammoth honeymoon trip around France on his little red scooter. René Char (1907-88) is one of the most important modern French poets. Admired by Heidegger for the profundity of his poetic philosophy, he was also a hero of the French Resistance and in the 1960s a militant anti-nuclear protester. Associated with the Surrealist movement for several years and a close friend of many painters - notably Braque, Giacometti and Picasso - he wrote poetry which miraculously, often challengingly, confronts the major 20th century moral, political and artistic concerns with a simplicity of vision and expression that owes much to the poet-philosophers of ancient Greece. *Les Matinaux* (1947-49) is perhaps his greatest collection. Published after the War, it looks forward to a better and freer world, whilst also bearing the marks of a deep-seated hatred of all fascisms. It includes some of the most beautiful love poems ever written in French. Michael Worton's

translations convey the essence of Char's poetry (which says difficult things in a simple, traditional way), and his introduction suggests why Char is one of the vital voices of our age. Ever wonder what gives French women that *je ne sais quoi*? At first you might think it's the elegant figure, matchless style, and mysterious allure. Then you realize those qualities don't come from just anywhere. They come from generations of women raised to cultivate an extraordinary sense of self. French women know who they are, like who they are, and excel at presenting who they are. The rest of us are often susceptible to the next fad, the new thing, the ultimate diet. We're always seeking, instead of realizing that what we already are may be just right. Rarely does an American woman feel as comfortable in her own skin as her French counterpart. And rarely does an American woman have that essentially French ability to say no--to refuse anything that doesn't suit her, whether that thing is a job, a man, or the season's latest styles. Provocative and practical, lively and intelligent, *Entre Nous* unlocks the mystery of the French girl and the secrets of her self-possession. Why do French women always look inimitably stylish? How do they manage to sit in a café for a three-course lunch and a glass of wine...by themselves? How do they decide when they're ready to let someone become a part of their very private lives? Laced with practical tips, engaging sidebars, and essential observations about French women and their ways, *Entre Nous* is a delightful book that will help you take the best of all pages from the French girl's book--the page that reveals how to really enjoy life. In the tradition of the New York Times bestseller *Stuff White People Like*, a tongue-in-cheek homage to Parisians. To be mistaken for a Parisian, readers must buy the newspaper *Le Monde*, fold it, and walk. Then sit at a café and make phone calls. Be sure to order San Pellegrino, not any other kind of fizzy water. They shouldn't be surprised when a waiter brings out two spoons after they order *le moelleux au chocolat*- it is understood that the dessert is too sinfully delicious not to share. Go to *l'île Saint-Louis*-all Parisians are irredeemably in love with that island. Feel free to boldly cross the street whenever the impulse strikes- pedestrian crosswalks are too dangerous. If they take a cruise on the Seine, they will want to stand outside, preferably with their collar popped up. If they want to decorate, may we suggest the photographs of Robert Doisneau? To truly be cool in Paris, own an iPhone, wear Converse sneakers, and order sushi. And as they stroll through the Luxembourg Gardens, remember-they can't go wrong wearing black. Before Françoise Sagan the literary icon there was Françoise Quoirez, an eighteen-year-old Parisian girl, who wrote a novel and needed a publisher for it. "My ideal type of armchair travel: immersive, insightful, seductive. In *Bella Figura*, Kamin Mohammadi takes us to the year in Florence that changed her life, and gives us the tools to bring the grace of the Italian lifestyle to our own lives." —National Bestselling Author Stephanie Danler "She walks down the street with a swing in her step and a lift to her head. She radiates allure as if followed by a personal spotlight. She may be tall or short, slim or pneumatically curvaceous, dressed discreetly or ostentatiously—it matters not. Her gait, her composure, the very tilt of her head is an ode to grace and self-possession that makes her beautiful whatever her actual features reveal." This is the *bella figura*, the Italian concept of making every aspect of life as beautiful as it can be, that Kamin Mohammadi discovered when she escaped the London corporate media world for a year in Italy. Following the lead of her new neighbors, she soon found a happier, healthier, and more beautiful way of living. The *bella figura* knows: • That the food that you eat should give you pleasure while eating it. Pause for meals, and set a place, even if you are eating alone. • To seize any opportunity to get moving—be it taking the stairs, doing a coffee run at work, or dancing with abandon. • To drink a spoonful of excellent-quality extra-virgin olive oil four times a day. • To seek out nature, be it a city park, a tree on your street, or some wild place. • And to love yourself. The *bella figura*—occupies her space, emotionally and physically, with style and entitlement. From the bestselling author of *Assassination Vacation* and *The Partly Cloudy Patriot*, an insightful and unconventional account of George Washington's trusted officer and friend, that swashbuckling teenage French aristocrat the Marquis de Lafayette. Chronicling General Lafayette's years in Washington's army, Vowell reflects on the ideals of the American Revolution versus the reality of the Revolutionary War. Riding shotgun with Lafayette, Vowell swerves from the high-minded debates of Independence Hall to the frozen wasteland of Valley Forge, from bloody battlefields to the Palace of Versailles, bumping into John Adams, Thomas Jefferson, Lord Cornwallis, Benjamin Franklin, Marie Antoinette and various kings, Quakers and redcoats along the way. Drawn to the patriots' war out of a lust for glory, Enlightenment ideas and the traditional French hatred for the British, young Lafayette crossed the Atlantic expecting to join forces with

an undivided people, encountering instead fault lines between the Continental Congress and the Continental Army, rebel and loyalist inhabitants, and a conspiracy to fire George Washington, the one man holding together the rickety, seemingly doomed patriot cause. While Vowell's yarn is full of the bickering and infighting that marks the American past—and present—her telling of the Revolution is just as much a story of friendship: between Washington and Lafayette, between the Americans and their French allies and, most of all between Lafayette and the American people. Coinciding with one of the most contentious presidential elections in American history, Vowell lingers over the elderly Lafayette's sentimental return tour of America in 1824, when three fourths of the population of New York City turned out to welcome him ashore. As a Frenchman and the last surviving general of the Continental Army, Lafayette belonged to neither North nor South, to no political party or faction. He was a walking, talking reminder of the sacrifices and bravery of the revolutionary generation and what the founders hoped this country could be. His return was not just a reunion with his beloved Americans it was a reunion for Americans with their own astonishing, singular past. Vowell's narrative look at our somewhat united states is humorous, irreverent and wholly original. In the spirit of works by Jia Tolentino and Anne Helen Peterson, a smart and incisive essay collection centered on the fashion industry—its history, its importance, why we wear what we wear, and why it matters—from Elle Magazine's fashion features director. Why does fashion hold so much power over us? Most of us care about how we dress and how we present ourselves. Style offers clues about everything from class to which in-group we belong to. Bad Feminist for fashion, Dress Code takes aim at the institutions within the fashion industry while reminding us of the importance of dress and what it means for self-presentation. Everything—from societal changes to the progress (or lack thereof) of women's rights to the hidden motivations behind what we choose to wear to align ourselves with a particular social group—can be tracked through clothing. Veronique Hyland examines thought-provoking questions such as: Why has the "French girl" persisted as our most undying archetype? What does "dressing for yourself" really mean for a woman? How should a female politician dress? Will gender-differentiated fashion go forever out of style? How has social media affected and warped our sense of self-presentation, and how are we styling ourselves expressly for it? Not everyone participates in painting, literature, or film. But there is no "opting out" of fashion. And yet, fashion is still seen as superficial and trivial, and only the finest of couture is considered as art. Hyland argues that fashion is a key that unlocks questions of power, sexuality, and class, taps into history, and sends signals to the world around us. Clothes means something—even if you're "just" wearing jeans and a T-shirt.
