Carter is if I agree to spend the week with him. He thinks that the reason that I left is that I don't want him. Nothing could be from the truth. He thinks I was insulted. He's wrong. I have a fire in my body that burns just for him. Still, I leave. He shouldn't have asked for something like that. All that it did was push me away. But I have to write this story to save my job. It won't be published for a while and I'll have time to convince him to go on the record. At least, that's what I think. But then the article comes out and he shows up at my house. He's angry. I'm mad. What happens when that fire between us starts to ignite? What happens when he pulls me close and doesn't let go? Praise for Charlotte Byrd "BEST AUTHOR YET! Charlotte has done it again! For fans of *STORM AND FURY* and *MORTAL INSTRUMENTS*. It's been over ten years since fifteen-year-old Zoey Taylor wandered away from her family home in the middle of the night. Or so she's been told, repeatedly, by her mother—but the only thing Zoey knows for sure is that when her older brother, Corinth, found her in the woods, safe and unharmed, she returned with a crippling fear of the dark and no other memories from those lost days—except strange flashes of sharp teeth and red-flaming hair. Since that time, she's become a star pupil and is on track to graduate early ... if and that's a big IF her overprotective family doesn't get in the way of her dreams first. In a stock market environment dominated by professional investors, *A Few Good Eggs in One Basket* offers a plain-talk approach to profitability by selecting and managing an investment portfolio of common stocks for an individual. Author Richard L. Gunderson, who has been an investor for more than forty years, outlines an enduring framework that improves the odds for the individual investor to exceed the performance of the market over the long term by buying good companies at bargain prices. He outlines what constitutes a good company and how to determine when a price meets the test of being a bargain. *A Few Good Eggs in One Basket* also helps individual investors by discussing what to look for; where to look; when to buy; when to sell; and how many stocks to own. *A Few Good Eggs in One Basket* presents a prescription designed to take advantage of opportunities created by market overreaction to bad news and disappointing results. Gunderson believes there are always bargains at any time and in any market. The challenge is to consistently apply a disciplined approach to identifying the unusual and favorable opportunities and concentrating a portfolio on those stocks representing the best combination of overall quality and intrinsic value. An Enemies to Lovers Romance I know her darkest secret and am just ruthless enough to use it against her. Whether she likes it or not, I'm the only one who can help her, but I do nothing for free. hate me all she wants, as long as she pays with her body. And if she tries to run? That will just cost her more. Dark, sexy and hot! Three words to sum up this book. If you love alpha men definitely a must read. - Sweet & Spicy Reads Previously published as Fight Me. This is a book for people who are struggling to find their way out of a cave of anxiety, depression, and suicidal thoughts—and for anyone who cares for someone who's been lost in that cave. Suicide is now the leading cause of death among young adults 18-34, and the fourth-leading cause of death among the middle-aged. Just as a computer's hardware determines its foundational capabilities and its software determines how it interfaces with the world, humans' hardware is tied to our biology and our software dictates how we relate to others and ourselves. Together, these parts of our identity determine our functionality, limitations, and possibilities. We become the story we have decided to live inside. When Jesus said, "I have come to set captives free," He meant that He came to "de-bug" our programming. Jesus invites us to partner with Him to bring to the surface and then move past our debilitating bugs. This book is a conversation between a minister and a psychiatrist. Informed by the clinical realities of anxiety, depression, and suicide, the authors draw from the transformational relational strategies of Jesus to chart a path into life and freedom.
