sized at 8.5" x 11" . Designed in USA Are you a lover of creativity and innovations? Do you or your kids have a thing for handcrafts? Are you looking for a comprehensive guide to making origami crafts? If so, then read on... This book, *Origami Book for Beginners*, is a treasure you shouldn't let slip you by. Creativity is one of the very tough things to build in life. Anyone could learn languages, technical handcrafts, and digital skills if they put their mind to it, but becoming a master at any of these things requires a high level of creativity. Even being the master in your field and place of assignment involves a level of creativity. Now, you will be wondering how you can build your creativity. Origami is one definite way to build creativity. The craft involves hands-on activities that improve your mental comprehension, assertion, and logical abilities. It is more than paper folding, as many presume. Origami is paper magic or transformational craft. It involves the practice of art using paper. With just your hands and some pieces of paper, you can make magical crafts. This is one cheap and simple craft that you can also earn good money from if you are devoted to learning and dedicated to practice. This book isn't for only professionals who want to improve their skills and hone their creativity. It is also for those who wish to learn geometry and build their calculative abilities. If you know anyone struggling with mathematics, geometry, or science-related subjects, you should introduce this book to them. Origami has so many benefits than your fingers can number, which I cover in detail in this book. But that's not all, within the pages of this book, you will;

1. Be more acquainted with what origami entails and its historical timelines.
2. Get to know how origami is applied to several areas of discipline.
3. Be familiar with the terms associated and used in origami art.
4. Be exposed to the tips and techniques used in origami art that will set you on your way to becoming an expert origamist.
5. Be enlightened on the tools and materials needed to get you started in origami.
6. Educated on the basic folds used in origami, and the common origami bases used in paper folding.
7. Get started with making beautiful origami crafts with the aid of the 25 origami project ideas discussed in this book with step-by-step instructions and graphical illustrations to guide you along the process.

...And a whole lot more! What more are you waiting for? Hone your creative abilities, and build your paper folding skills with this beginner's guide to origami. To begin your journey to making paper folding crafts, simply grab a copy of this book RIGHT NOW. "Explains the significance of Easter and how to make Easter-themed crafts out of paper"-- Not sure how more people don't have a love for paper crafts. How about you? If you don't know by now how so many things there are that you can make from a simple piece of paper, you are about to learn. When you don't feel like getting out a ton of supplies or making something super complicated, paper can be your new crafting best friend. People love receiving these as gifts, too. There is something about knowing that item was made from only paper and by you, something quite thoughtful and charming. Get your scissors and ruler out, maybe a little bit of paper glue, and start making some of the most lovely DIY paper crafts ever. So happy crafting! From découpage, origami, and cut outs to card- and bookmaking, paper crafts have never been more popular. Using a wide variety of techniques, this comprehensive book--which sold more than 55,000 copies in hardcover--presents more than 100 simple, inexpensive, easy-to-create projects that take advantage of the huge selection of readily available specialty papers sold today. After readers familiarize themselves with the origami symbols and easily accessible types of paper to use, they will follow illustrated step-by-step instructions to create fun origami arts and crafts such as a bracelet, a piano, a sailboat, and a colorful dodecahedron. A glossary helps readers learn new vocabulary, and a further reading section with books and websites encourages further exploration of the topic. Make festive paper ornaments and decorations using traditional Japanese paper with this easy-to-use papercrafting book. Paint by Sticker, the bestselling all-ages activity book series, is now purrfect for cat lovers! Create gorgeous illustrations of felines in low-poly (geometric polygon shapes) style, one sticker at a time. An engrossing activity for crafters and artists, doodlers and colorers, Paint by Sticker: Cats brings 12 irresistible cats to life, piece by piece. There's a playful ginger tabby hanging from her paws, an elegant, blue-eyed Siamese angling for a head scratch, and more! As in paintby number, each image is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the matching space. Add the next, and the next, and the next—and relish the growing satisfaction of watching a “painting” emerge from a black-and-white illustration to a dazzling image with color, body, and spirit. Making things with paper used to be an activity that kids did with their teachers or at home on rainy days to keep them occupied. But for many adults paper crafting is a serious hobby. Making beautiful things out of paper can be simple or quite complex depending how advanced you are in the hobby of Paper Crafts. You can do endless things with different types of paper. From, scrap booking, to making cards, flowers, origami, paper cutting, and all kinds of decorations. As you can see there are many things one can do creatively with paper. When it comes to paper crafting there is a multitude of projects, techniques and supplies one can use to achieve a work of art made from paper. Paper crafts no longer means just hanging streamers for a party or drawing a sketch on a folded piece of paper for a birthday card. With all the possibilities

available in the world of paper crafting today one can take virtually any plain piece of paper and make it into a thing of beauty. Even though most projects do come with instruction and techniques one gets the most satisfaction when they let their own creative touches enter the equation. Many people who think they do not have a creative bone in their body start to paper craft and are surprised with what they add to a basic project. What happens is the more a person crafts like anything else the better they become and then they start to experiment. The person starts to then experiment with the tried and true paper crafts; and as they master them and the results really start to become paper works of art. For those who really feel they have "NO" artistic bones in their bodies there is things like rubber stamping to create paper things with. So the possibilities are there for those who want an easy inexpensive hobby. When you begin paper crafting like anything else start with the easier projects first. After you get used to them you can advance at your own pace. The possibilities are endless and it will open up the creative side of your personality.
